Requests for National Driver Register Checks

What Is The National Driver Register (NDR)?

The NDR is a nationwide computer listing of persons who have been denied a driver license, whose driving privilege has been suspended or revoked, or who have been convicted of a serious offense.

Who May Obtain An NDR Check?

Any individual may obtain his or her own NDR record.

Employers of drivers, locomotive engineers or commercial pilots may obtain an NDR record on any current or prospective employee. The results of the NDR check will be mailed only to the employer.

The **driver has the right to review** the NDR report provided to the employer.

What The NDR Report Contains

The NDR report only contains the name of each state that submitted, within 3 years from the date of the inquiry (5 years for commercial pilots), problem driver information on an individual matching the description provided.

Detailed information to confirm the driver's identity or to describe the contents of that state's driver record should be obtained directly from each state. The name, address and telephone of the driver licensing agency will be provided for each state listed.

How To Request An NDR Check

Individuals should complete form NDR-PRV available by calling one of the numbers below.

Employers should complete this form and take it to any MVD driver license office, or mail to:

MAIL DROP 530M MOTOR VEHICLE DIVISION PO BOX 2100 PHOENIX AZ 85001-2100

The fee is \$5.00. Please make your check payable to the Motor Vehicle Division.

If the request is made in person by the driver, it does not require a notary. The driver will be asked to furnish identification with a signature or photo, such as driver license, credit or bank card, health card, Social Security Card. **The driver must be licensed in Arizona.**

Supplemental Reports

Because NDR relies on information provided by all of the states, there can be a delay between the time the violation occurs in a state and the time this information is recorded on the NDR system. To insure a complete report, MVD will continue to check with NDR for 104 days from the request date, to determine if any additional violations have been reported.
